

Many people with disabilities who experience homelessness or are at the risk of homelessness struggle to access the resources they need.

The Social Security Administration (SSA) has programs that can provide assistance.

## WHAT IS SOAR?

Soar is a BEST Practice supported by the Substance Abuse and Mental Health Services Administration—SAMHSA

SOAR is for persons who are experiencing homelessness or near homelessness and have a mental illness and/or co-occurring substance use disorder

Together the SOAR Advocate and the Participant strive for the Participant to become eligible for SSI or SSDI and the corresponding insurance.

## How Does SOAR Work?

First we will see if you are eligible with some quick questions. If you are, then we will work together! Compiling all the required information that we will need to successfully apply for your benefits. This will help the determination process move more smoothly and quickly by providing assistance to SSA and DDS.

## How Do We Get Started?

- ◇ Contact me by email, phone or stop in the office.
- ◇ Answer a few questions to see if you might qualify.
- ◇ Meet with SOAR Advocate as needed to complete history profile and application.
- ◇ Believe that your life can change.
